Activity

Cookie Making

What You Need

Play-Doh® or modeling clay, a heart-shaped cookie cutter

What You Do

Create heart-shaped “cookies” out of the Play-Doh with your child.

Encourage your child to flatten out their dough with their hands. Then, ask them to shape the dough into a heart using the cookie cutter. (They may need a little help!)

Say, “Let’s make cookies to celebrate that Jesus loves everyone! Flatten the Play-Doh with your hand like this. (*Demonstrate.*) Then you can press the cookie cutter into the dough like this to make a heart. (*Demonstrate.*)”

When you are finished with the activity, say, “Awesome job! These cookies remind me of love. And, **who does Jesus love? Jesus loves everyone.**”
