

Knowledge is learning something new so you can be better at whatever you do.

DAY 1

Read Psalm 119:160

This month is all about knowledge, learning something new so you can be better at whatever you do. You're already good at this! Every day at school you're learning all kinds of new cool things. Grab a sheet of paper and write down something new you learned this week.

All that learning will help you for sure. But there is something even more important than letters and numbers. God wants us to grow in your knowledge of Him. That's why God sent Jesus, the Son of God, to show us what's true.

TRUE or FALSE

Based on what you've learned so far about God, mark the statements below as true or false:

- T or F: God loves you.
- T or F: God doesn't care about what happens to you.
- T or F: Jesus came so you could have a relationship with God.
- T or F: God is always faithful to us.
- T or F: Sometimes, you can't trust what God says.

There is always something new to learn about God. We should never stop searching for what's true.

DAY 2

Read John 14:6

One Way

Have you ever seen a One-Way sign? What do you know about these signs? Test your knowledge by answering the question below.

The first One-Way sign first appeared in:

- A. Washington D.C.
- B. Lima, Peru
- C. London, England

If you pull up to a One-Way sign, you must travel in the direction that the sign is pointing. If not, you put yourself and every other driver on the road in danger.

Jesus is the One-Way sign to God! When we trust Jesus, we get to spend forever with God.

This week, as you travel in the car with your family, look for One-Way signs. Each time you see one, remember the truth that Jesus is the only way to God and repeat these words: "I am the way, the truth, and the life. No one comes to the Father except through me."

Answer: B. Lima, Peru

Read John 8:31-32

You learn new things every day. But all that learning should include focusing on what's true. And how do we know what's true? By looking to Jesus. We can read his words in the Bible. What Jesus had to say changed everything about how people relate to God and the people around them. The way you can know what's true is by doing what Jesus says.

Do As I Say

Let's practice right now. Look up the following verses and write down what Jesus says you should do in the blanks below. Then circle TWO of your answers and ask God to help you follow Jesus as you obey his teaching this week.

Matthew 5:44

Matthew 6:14

Matthew 7:12

Matthew 22:37-39

Never stop searching for what's true.

Read John 1:14

Add It Up

100 + 100 =

(okay, we started with an easy one)

But did you know the answer could be 100? Here's why!

When Jesus came to earth as a baby, He was 100% God. But on that night in the little town of Bethlehem, Jesus entered the world as a baby, 100% human.

100% HUMAN + 100% GOD = JESUS

Jesus walked and talked, ate and slept, felt anger and surprise, lived and died so that we could be forgiven. When Jesus came to earth to show us the way to God, He was full of grace and truth.

100% GRACE + 100% TRUTH = JESUS

When we see how loving and kind and amazing Jesus is, we understand why we should follow Jesus. He is also forgiving and willing to give us a second chance when we mess up. And while the math might not add up the way we think it should, Jesus is the one worth following as we grow in knowledge each day.
